

+ +290 *Special Interest Project*

Australian College of Theology name: *Project*

The Project is designed to enable you to pursue a particular area of interest. As such, the Project is meant to be a mature piece of reflection, research, or analysis completed in the final year of your diploma studies.

The topic for research must be different from those covered in other subjects, except that a more detailed study of a topic / area studied only briefly in other subjects may be acceptable. The topic is to be decided upon in consultation with a supervisor appointed by your approved college.

Pre-requisites:

Advanced Diploma of Theology students must choose a project from either the Department of Bible and Language or the Department of Christian Thought, i.e.

- OT290 Old Testament Project
- NT290 New Testament Project
- TH290 Theology Project
- CH290 Church History Project
- PE290 Philosophy/Ethics Project

Advanced Diploma of Ministry students must choose a project from the Department of Ministry and Practice, i.e.

- EM290 Evangelism / Missiology Project
- PC290 Pastoral and Church-focussed Ministries Project
- DM290 Developmental Ministries Project
