(See the next page for further information about when this fee is required and the amount.)

Since you are enrolling late in or adding a unit after the start date and before the census date for the unit, you are liable to pay this late enrolment fee.

You must include payment with this form. Therefore, I have enclosed \$ _____ by

Please use this chart in conjunction with the specific dates listed for your unit(s) on the previous page.

*** Special circumstances for withdrawals:**

Students who withdraw from a unit of study due to circumstances outside of their control which occur, worsen or do not make their impact known until or after the Census Date may be eligible for a Tuition Fee Refund.

If a Tuition Fee Refund is granted, students will also receive the grade Compassionate Withdrawal (CW) for that unit, which has no academic penalty.

Any up-front tuition fees already paid will be refunded (to the payer) and the student's FEE-HELP debt for that unit will be removed.
